## 1. Preamble

“VGENIUST” or in full form as *We Genius Team* is world’s first to launch to have one hundred students with own skills to attempt Guinness World Record. The nationwide project which will give impact directly to the participant and indirectly inspire others. While the project in progress and after maturity of this project, whole country will be saying, reading, witnessing the powerful statement of VGENIUST which will be hiddenly registering into sub-conscious mind and will create auto-pilot of action for students whom directly or indirectly involve.

This project aimed to bring 100 students from primary and 100 student from secondary school to perform each individual own skills which will be uniquely qualified Guinness World Record. Nationwide supporting project will be launched in every town, schools to provide pre-selection of the final team. The whole event will be inspiring community particularly parents and students towards Academic, Sports & Behavior enhancement awareness and application of latest state of art technology integrated with ancient, yet simple and proven techniques towards developing intellegency as well skills. Highly recommended skills related to academic, sports, health, IQ/Intellegency to be cultivated, practiced, trained and applied. All other application will be process with feedback to applicant base on internal committee analyst.

## 2. About Ariansoft

ArianSoft (Since 2005) is lead by a team that has 14 years experienced in IT, Networking, CCTV and Event Management Industries. The team has all the experience from its previous company, iisPEETS Group Companies and Event Company. ArianSoft is specially being created for all kind of IT, Multimedia Services, Telecommunications, Security Surveillance and Event Management services.

ArianSoft Ads & Events is one of the leading Event Management Company. We have completed a few events, created and managed for Universe Awareness Centre(UAC), Telekom Malaysia Sales Channel and Ministry of Youth and Sports Malaysia.

ArianSoft Ads & Events is now being Partner with Kementerian Belia dan Sukan for it's Karnival 'Ondrai Inaivom 1Malaysia' which held on 27, 28 and 29 May 2011 in conjunction with Hari Belia Negara 2011 at Putrajaya. We also official partner of Kementerian Belia dan Sukan for One Million Youth 2012 event in Putrajaya 9 'Ondrai Inaivom 1Malaysia'. This is the Biggest Event in Malaysia, which participated by a few other Event companies together with KBS to make success the 'Hari Belia Negara'.

The advertisement features a vibrant green background with a glowing lightbulb. On the left, a collage of photos shows a large crowd of young people at an event, with text overlays: 'MILLIONS OF YOUTH GATHERING PUTRAJAYA MAY 2012', 'Millions of Opportunities Thousands of Joy', '23-27 May 2012', and 'Millions of Youth Gathering'. A Malaysian flag is also visible. On the right, the text 'Smart Solution FOR YOUR BUSINESS!' is written in a cursive font. Below it, the event title 'Ondraai Inaivom 1Malaysia' is prominently displayed in large, colorful letters. The ArianSoft logo is positioned at the bottom right, with 'ADS & EVENTS' underneath. A small red box in the top right corner says 'HIMPUNAN JUTAAAN BELIA PUTRAJAYA MEI 2012'. At the bottom left, there is a small text link: 'click here for more information'.

Scientifically verified breathing, brain, frequency, energy field made him to this world's first record to perform by One Hundred (100) students and be Guinness World Record Holder.

## 4. Overview

This projects main objectives is to search talent, train and groom them towards Malaysian Book Of Record and subsequently heading towards Guinness World Record.

Creating new qualifying activity that will be included as new Guinness World Record.

### 4.1 Who qualify to participate?

All category of Students

- Primary
- Secondary
- Tertiary

### 4.2 How selection happen

- ✓ NGO(s), Organizational, Educational Institutional can invite us for pre-selection event at your own venue by of choosing a hall.
- ✓ We will come with our panels, experts, consultants to view the skill performance of our community/students.
- ✓ We register and proceed all parental approval document process to participant for the activity.
- ✓ Each participating student will be monitor and training for 12 months
- ✓ Each should go thru district, state & national level championship on their own skills.
- ✓ If skill performance is UNIQUE then straight qualified to GWR

### 4.3 Selection Criteria for individual

- To give a detail description on the activity that would like to pursue.
- Then we will have the relevant experts view on performance.
- Our panels will finalize the qualifying level
- Signing the offer letter in where our terms and condition as well participants and guardian/parents/institution's commitments
- All applicants with any type of ideas will be under going these process and subject to qualification by our panel team.

## 5. Objectives

Primary objective is to search talented students and groom them towards Malaysian Book Of Record and subsequently heading towards Guinness World Record. Creating new qualifying activity that will be included as new Guinness World Record. Individually students will be Guinness World Record holder.

Secondary focus is for all participating organizational like NGO, Society, Foundation to own group record as largest number of NGO participated project for developing students skills and abilities.

This project will create a wave of overall use of the word “VGENIUST” which pronounce as “We Genius” and internally means “We Genius Team”. This will trigger LAW OF VIBRATION AND ATTRACTION towards programming whole nationwide students to be Genius. It is similar to radio wave or magnetic wave you can see but it work powerfully for “heavly” intelligent task.

It works perfectly and will evolve from Malaysia for the world. Proven sciences with un seen action. Virtual activity will happen in sub-conscious mind and phisically end result will be witness from day to day for childrens particularly and generally towards parents as well.

**CREATING or rather say increasing GENIUS STUDENTS, PEOPLE, NATION to further developing our lovely MALAYSIA !!!**

## 6. Advantages

All direct and indirect participating people in other word whole nation will benefit creating healthier, wealthier and intelligent society of Malaysia. Mainly with principle of law of vibration and attraction which will create from the project name it self **"VGENIUST"**.

### 6.1 Students

- Actively government will be a part of intelligent citizen developing project.
- Help increasing healthier activities nationwide in unique way can leverage standard positioning in many ways.
  - ◆ Increase reader habits
  - ◆ Increase sports participating
  - ◆ Increase quality in outdoor activity of students
  - ◆ Improved health
  - ◆ Moderated behaviour students
- World's first & largest such a VGENIUST project country.

## 7. Method of Developing Students for World Record

### 7.1 Training Options

All participant will be train for one year on their own skill proposed prior to attempt Guinness World Record.

TRAINING METHODS	FEATURES
<b>Coaching</b>	Participants apply knowledge on the job, unlock participant potential, increase knowledge sharing and reinforce other training methods.
<b>Discussion</b>	Participants evaluate two or more positions on an issue, practice critical thinking, draw on learner knowledge and expertise, form arguments and defend positions. Some discussions consist of an expert panel, which allows learners to understand discipline nuances and areas of debate, relate knowledge to real world examples and listen to different opinions on a topic.
<b>Labs</b>	Participants receive and respond to immediate feedback, develop process skills, practice physical or manual skills and evaluate results of own work.
<b>Lecture</b>	Conveys information to supplement reading or self-study, responds to student misconceptions or difficulties, stimulates interest in a new area.
<b>Online</b>	Allows geographically dispersed participants to learn, meeting experts often at their own pace, through online technologies or delivery methods (e.g., webinars, podcasts, videos).
<b>Small group activities</b>	Provides hands-on skill building and problem-solving. Participants are divided into small groups and assigned a timed task to complete as a team. The output of these activities will be shared with the larger group and used as input to the next segment of the module.
<b>Increasing Frequency</b>	Gathering particular skill base students and meet up the related skill experts to empower and develop much higher quality & quantity. (e.g. if a person can hold ball 100 times then increase it to 500 times)

## 7.2 Method of Training

- ❖ Each student with their own skill will be train by special experts/mentor/consultant from related field.
- ❖ It's Weekly, Monthly & Quarterly Training
